We don't have a call scheduled, I was just going to get back with you and let you know where things stand. We can most certainly talk the first week of December. What day works best for you!

Peter and Walt,

Thanks for chatting this morning about potential settlement at Richardson Flat. I sent an email to Fish and Wildlife, and they asked the following:

How many acres is the property? How many acres are in the floodplain/have been restricted? I know we've had some preliminary conversations, but it would be helpful if I can pass along an email. You can also reach out directly to Dana Jacobsen, the DOI attorney on this case, copied on this email.

Thanks,
